Go to Cuba, Young Man!

Thirty years ago the advice to young men was to "Go West." Many did, and from a comparatively small investment became not only comfortable but wealthy. The OPPORTUNITY is now CUBA. What the West was in thirty years will be done in Cuba in five years. Cuba has everything in its favor. About as far from New York as it is from England. The best proposition in Cuba is a Citrus Fruit Plantation. Investment absolutely safe. Returns prompt and large. We have the land, plant the groves, and sell on easy terms or for cash. A small investment makes a family comfortable for all time. Returns EVERY YEAR. Send name and address on a postal card.
